States the date payment is due to Waste Management. Anything beyond that date may incur additional charges. Your **Total Due** is the total amount of current charges and any previous unpaid balances combined.

2

Previous balance is the total due from your previous invoice. We subtract any **Payments Received/Adjustments** and add your **Current Charges** from this billing cycle to get a **Total Due** on this invoice. If you have not paid all or a portion of your previous balance, please pay the entire **Total Due** to avoid a late charge or service interruption.

3

Service location details the total current charges of this invoice.
