Thank you for filing your income tax return. This notice explains the results of our assessment and any changes we may have made. Please refer to the "Summary" area for additional information. Keep this notice for your records.

Our records indicate that arrears interest of \$7.33 is applicable on this return. Arrears interest is calculated on the outstanding balance from the date the amount was due to be paid. However, after reviewing your request, we have reduced the arrears interest to \$5.74. As we have taken this action based on the taxpayer relief provisions of the "Income Tax Act," you cannot file a notice of objection with respect to this adjustment.

We adjusted the instalment amount claimed on your return to \$497.69 to agree with the credit available in your 2013 instalment account. The balance in your 2014 instalment account is \$2,821.69.

You can avoid additional interest charges if you pay the balance due by June 12, 2014.

A Tax-Free Savings Account (TFSA) allows Canadian residents, who are 18 years of age or older, to earn tax-free investment income throughout their lifetime. To find out how much you can contribute to your TFSA for 2014, go to www.cra.gc.ca/myaccount or call our Enquiries service at the number shown on this notice. For more information concerning TFSAs, go to www.cra.gc.ca/tfsa.
